STEP 3 OF 9 · INTERNSHIP

Are you enrolled in your school's internship program?

Some universities run an internship program — faculty-coordinated placements or student-sourced under program oversight. A "yes" here lets the Internship Finder reference your program enrollment in outreach. Pick "no" if your school doesn't have one or you're not enrolled.

Yes — enrolled, placement arranged by faculty

I'm in my school's internship program. My faculty mentor coordinates the placement; the company is (or will be) assigned by them.

Yes — enrolled, I source my own placement

I'm in my school's internship program, and I'm responsible for sourcing and pitching the company myself (under program oversight).

No, I'm not enrolled in an internship program

Skip this — Get A Job will still help with everything else (CV, LinkedIn, applications, stories).

STEP 9 OF 9 · REALITY CHECK

Quick reality check.

Your honest answers help us calibrate. Where you actually are — not where you want to be.

All questions are optional. Click a suggestion, type your own, or leave blank.

Your biggest job search challenges (select all that apply)

I don't know which roles to target

I apply but get no responses

I get interviews but no offers

I don't know how to network effectively

My CV doesn't stand out

I don't know how to negotiate salary

I'm not sure if my skills are relevant

Or type your own — press Enter to add

Do you tailor your CV for each application?

Yes, I tailor it for most applications

Sometimes, for roles I really want

Rarely — I mostly use one version

Never — I use the same CV for everything

Or type your own answer

Have you messaged people on LinkedIn as part of your job search?

Yes, often — I message recruiters or employees regularly

Sometimes — I've tried it a few times

Rarely — I find it awkward

Never — I haven't tried

Or type your own answer

How clear are you about which specific roles you're targeting?**1**

No idea

2

Vague idea

3

Some clarity

4

Fairly clear

5

Very clear

Scale of 1–5. Leave blank if you're not sure.

What have you already tried to improve your job search? (optional)

e.g. Applied to 50+ roles, attended career fairs, updated my LinkedIn...

How did you hear about us?

Faculty internship program

School WhatsApp

Friends

Community

Other — type your own

STEP 7 OF 9 · CAREER DIRECTION

Where do you want to go?

Tell us where you want your career to head.
We'll separate what you qualify for now from
what you're aiming for next.

Where do you want to be in 5 years? *

e.g. Product Manager, Data Analyst, Mar

Job titles that interest you now

Roles you might apply to in the next 3–6 months.

e.g. Data Analyst, Marketing C

Add

Target industries

Pick the industries you're aiming for. Add your own
if it's not listed.

Cybersecurity

FinTech

B2B SaaS

AI/ML

InsurTech

HealthTech

HR Tech

MarTech

AdTech

Gaming

EdTech

PropTech

E-commerce

Climate Tech

Mobility

Logistics Tech

DevTools

Sales Tech

FoodTech

Consumer Apps

Or type another industry

Add

Preferred work environment

Select all environments you're open to working in.

Startup

Scale-up

Corporate

Agency

Non-profit

Public Sector

Or type another

Add

☐ Open to lateral roles

Roles at the same level in a different function
or industry

☐ Open to roles outside my degree field

E.g. a Finance major applying to Operations
or Product roles

STEP 9 OF 9 · REALITY CHECK

Quick reality check.

Your honest answers help us calibrate.
Where you actually are — not where you
want to be.

All questions are optional. Click a
suggestion, type your own, or leave blank.

Your biggest job search challenges (select all
that apply)

I don't know which roles to target

I apply but get no responses

I get interviews but no offers

I don't know how to network effectively

My CV doesn't stand out

I don't know how to negotiate salary

I'm not sure if my skills are relevant

Or type your own — press Enter to add

Do you tailor your CV for each application?

Yes, I tailor it for most applications

Sometimes, for roles I really want

Rarely — I mostly use one version

Never — I use the same CV for
everything

Or type your own answer

**Have you messaged people on LinkedIn as part
of your job search?**

Yes, often — I message recruiters or
employees regularly

Sometimes — I've tried it a few times

Rarely — I find it awkward

Never — I haven't tried

Or type your own answer

**How clear are you about which specific roles
you're targeting?**

1

No idea

2

Vague
idea

3

Some
clarity

4

Fairly
clear

5

Very
clear

Scale of 1-5. Leave blank if you're not sure.

**What have you already tried to improve your job
search?** (optional)

e.g. Applied to 50+ roles, attended
career fairs, updated my LinkedIn...
