Coach

Your coach knows your roadmap, pipeline, and the page you're on. Ask anything.

What should I focus on?

Am I ready to apply?

What's my biggest gap?

Ask about this page...

ABOUT GET A JOB

DRAWER PREVIEW · DOCK-THREAD-SCROLLED-MID

Dock thread scrolled mid-conversation while the page shows a long Career list

DEV-only harness. Mounted inside the real Layout so the sidebar CoachDock + the AgentDrawer panel are both visible.

Career list item 1

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Career list item 2

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Career list item 3

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Career list item 4

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Career list item 5

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Career list item 6

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

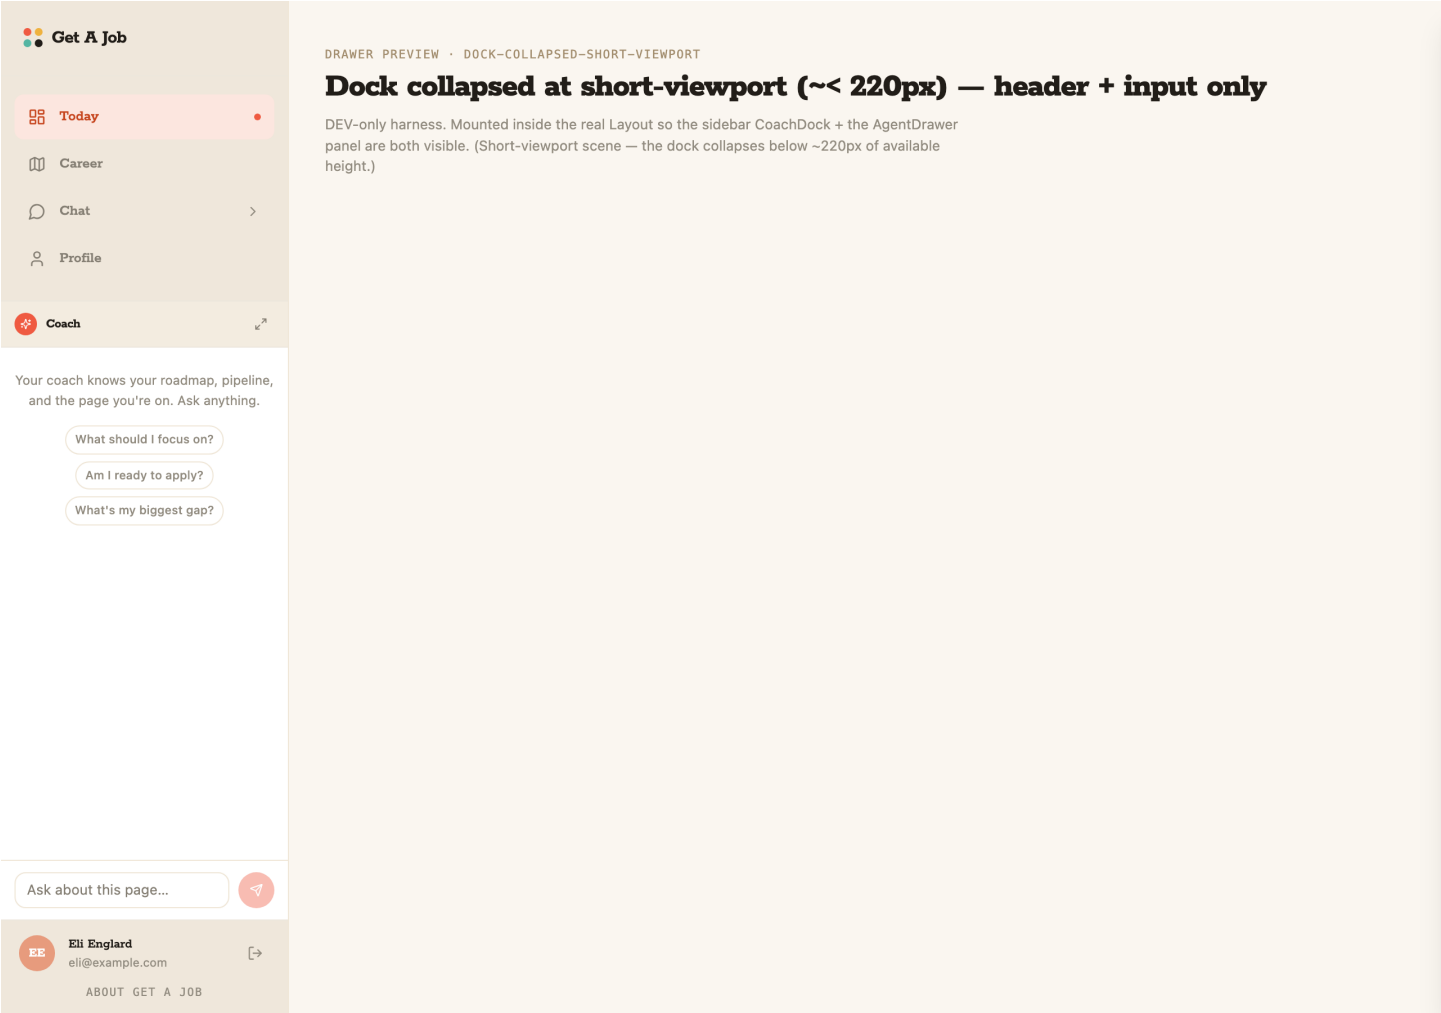

Career list item 7

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Career list item 8

Long scrollable page content to prove the dock's thread scrolls independently of the main column.

Dock · independent-scroll proof — Desktop · 1280×900
