

① What this agent does

CAPABILITIES

Pick the right next move when you're between threads
Talk through a stuck application or interview wobble
Propose roadmap changes when your direction shifts
Set up tasks + applications + internship targets

HOW TO USE

Tell me what's happening — a concrete moment, a stuck thread, or a question. I'll propose specific actions you can accept or edit.

Career Agent

Tell me what you're working on — I'll help you move it forward.

 New conversation 

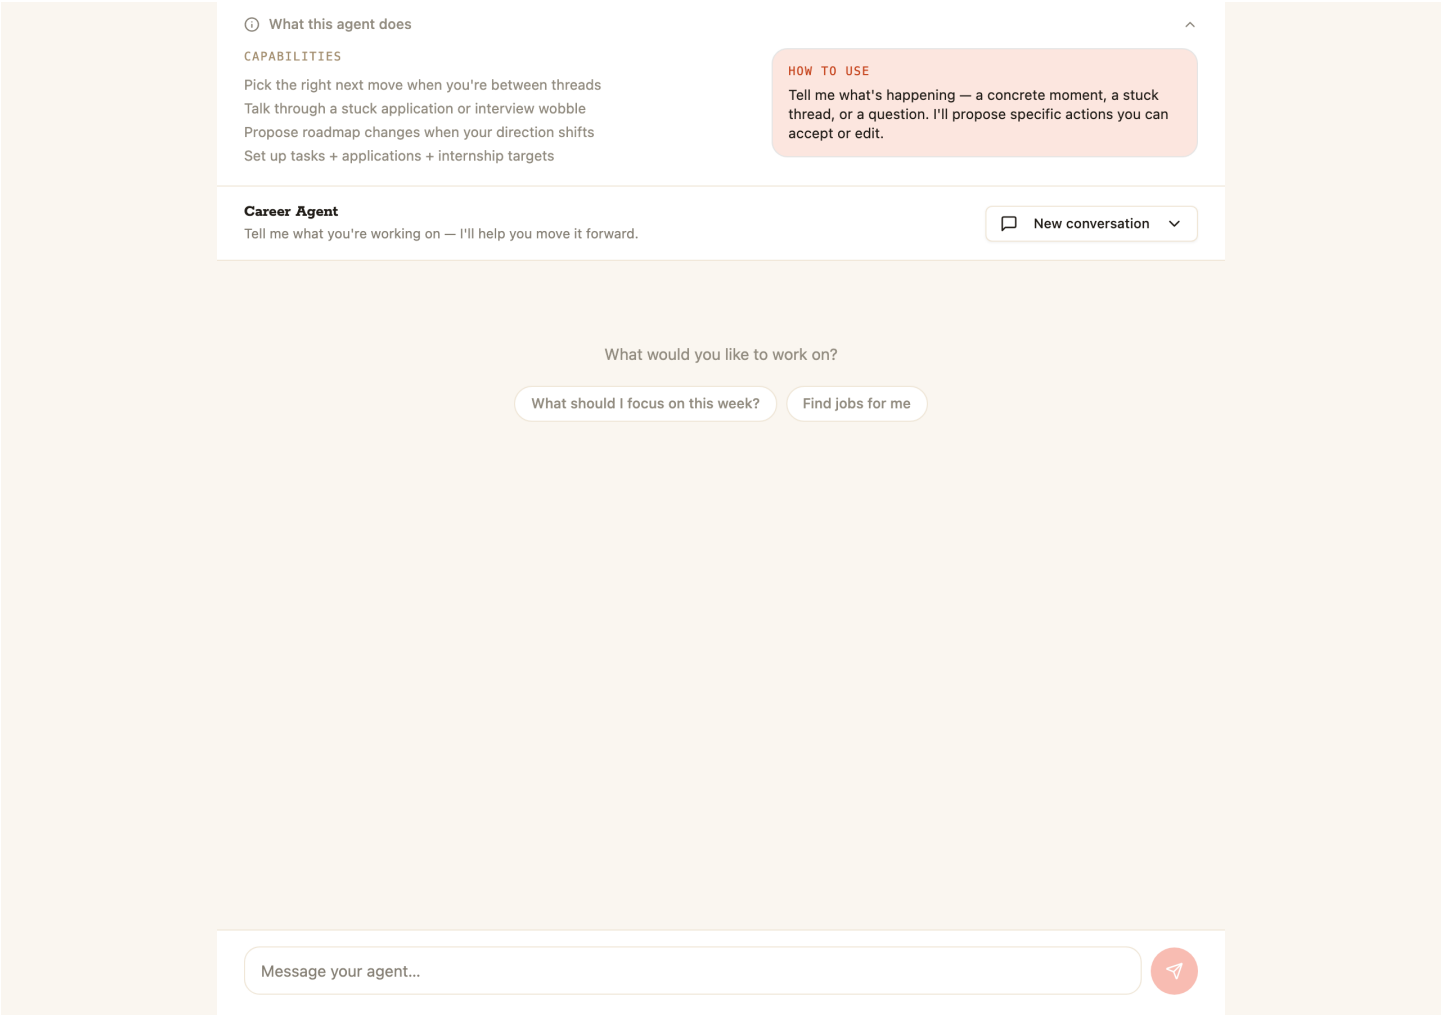

What would you like to work on?

What should I focus on this week?

Find jobs for me

Message your agent...
