Account

Change password

Signed in as **eli@example.com**. For your security we'll email a 6-digit code to confirm the change.

NEW PASSWORD

Meets all 5 requirements below

- ☐ At least 8 characters
- ☐ Lowercase letter (a-z)
- ☐ Uppercase letter (A-Z)
- ☐ Number (0-9)
- ☐ Symbol (e.g. !@#\$%^&*)

We also check against known leaked passwords once you submit.

CONFIRM NEW PASSWORD

Repeat the password above

Send verification code

Onboarding

Reset onboarding

Clears your profile, career roadmap, applications, tasks, experiences, projects, and certifications, then sends you back through onboarding. Your account stays — only the data you entered is wiped.

Reset onboarding

Danger zone

Delete account

Permanently removes your account, all data tied to it, and any files you've uploaded. This action is immediate and cannot be undone. To confirm, type **DELETE my account** below.
